

# Raven Guard Showcase pt2

*Three more fantastically painted Raven Guard armies.*

Earlier in the year we asked some great painters who were known to us through the Fanatic Painting Scheme to paint some Epic Raven Guard armies for Swordwind. In this article we present the final hopefully armies. There has been some interest on the forums and from the painters themselves in doing some follow on articles. I'll try and source some for early next year.

Douglas Woodcock, Munich

Glyn Green, Bridgend UK
