EXPERIENCE

How many wounding hits can be gained in the following situations? [2005]

1. Sustained Fire = 1 wounding hit award per target wounded, even if the target is hit multiple times. If you split your SF shots between 3 targets and wound them all then you would get 3 wounding hit awards.
2. HTH = 1 wounding hit per target wound characteristic that you take (inflict) or flesh wound you inflict. If your opponent has 3W on its profile then you could gain 3 wounding hit awards from it i
